

DATA PROTECTION – YOUR RIGHTS

From time to time, material that is not directly related to the business of the Racehorse Owners Association is sent to our members. This is usually because we receive an offer from another organisation that we believe might be of interest to our members.

An example of this is when we gave members the opportunity to attend the first-day opening of Wembley Stadium.

We do, also, on rare occasions, accede to requests from companies to undertake a mailing on their behalf. Such material is always scrutinised beforehand.

We do not under any circumstances allow our database to be sent to a third party.

Under data protection law, you may deny us the right to send any non-ROA material to you. If you wish to exercise this right, please fill in the form below and return it to us. On receipt of this, we will remove your details from our database for special mailings.
